Our Products

The Advantages of Our Products

Complete Machinery Lineup

From fabrication to finishing, our full range of machines ensures precision, consistency, and scalability for every project.

Integrated Systems & Software

We deploy smart systems and tailored software to streamline operations, enhance monitoring, and reduce downtime.

Reliable Supply Chain

Our sourcing is built on trusted partnerships and strict quality control—delivering dependable components, on time, every time.

Expert Engineering Team

Backed by deep technical expertise, our engineers solve problems fast, optimize performance, and support custom solutions.

6U Server Rack

- 19" EIA,
- 600×370×450 mm (approx.)
- 2×120 mm fan cutouts
- 60 kg static load

22U Server Rack

- 19" EIA, 4-post rails
- Perforated front/rear doors
- 600×1100×1000 mm (typ.)
- 500 kg static load

Open Frame

- 42U
- Square-hole /threaded rails
- Floor anchor holes
- 250–600 kg load

Our Products

Electric Cabinet

- IP54/IP65 configurable
- 600×400×250 mm
- perforated doors
- Earth bar & studs

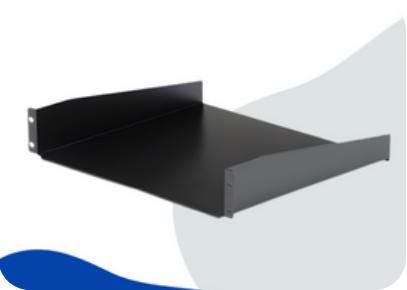

Electric Cabinet

- IP54/IP65 configurable
- 600×400×250 mm
- Wall or floor plinth mount
- Earth bar & studs

Post Open Frame

- 2-post , 42U
- Square-hole /threaded rails
- Floor anchor holes
- 250–600 kg load
